Perfect for custom stencil
& template creation.

Introducing

Lucent, a versatile, easy-to use sheet material ideal for creating custom stencils and templates as well as educational and promotional tools. The opportunities for this product are unlimited, just add your creativity and imagination.

Lucent is the smart choice for crafters, educators and professionals looking for a sheet material to fabricate custom stencils, tracing templates, patterns or scrapbooking tools. This material can be used with a variety of acrylic paints that are spray or brush-on and can be used for material for traffic and pavement-marking stencils.

This single-ply product is available in a durable matte

finish in .025" thickness, and features exceptional durability and integrity for applications that require a tough product.

Available in translucent clear and six translucent colors to meet your needs, Lucent laser cuts easily to create a clean, smooth finished edge. Add a splash of color or personalization with screen, pad or UV-LED printing to create the ultimate finished product.
