Title: CNC-Laser Operator

Reports To: Production & Quality Control Managers

Primary Purpose: The CNC-Laser operator works on the production of sign. This person operates the computer-based CNC and Laser systems and needs to be aware of the accuracy of his/her work. The CNC-Laser operator must learn different areas of production, including engraving, assembly and sometimes other areas including, fabrication and digital imaging. The CNC-Laser operator must be able to work efficiently in order to ensure timely delivery of goods. He/she will often be called upon to work alone or as a team to complete jobs.

Expected Attributes of Employees:

- Exhibit a positive attitude.
- Show personal drive, ambition, and ownership of work.
- Demonstrate a high degree of integrity, honesty and trustworthiness.
- Communicate at the most direct level.
- Maintain a strong work ethic and inspire others.
- Function as a team player

Qualifications:

- Minimum high school and trade school diploma and 2-4 years relevant experience.
- Ability to read and comprehend instructions, short correspondence, and memos. Ability to write correspondence. Ability to effectively present information in one-on-one and small group situations to customers, clients, and other employees of the organization.
- Ability to add, subtract, multiply, and divide in all units of measure, using whole numbers, common fractions, and decimals. Ability to compute rate, ratio, and percent and to draw and interpret bar graphs.
- Ability to apply common sense understanding to carry out instructions furnished in written, oral, or diagram form. Ability to deal with problems involving several concrete variables in standardized situations.
- While performing the duties of this Job, the employee is regularly required to stand. The employee is frequently required to walk and talk or hear. The employee must frequently lift and/or move up to 50 pounds.
- While performing the duties of this Job, the employee is regularly exposed to moving mechanical parts. The noise level in the work environment is usually moderate.

Primary Duties & Responsibilities

- Become familiar with Gravostyle & Corel software
- Become familiar with computer network, file sharing systems and protocols for file naming and saving.
- Run sign jobs on the CNC and Laser machines.
- Communicate with lead to clarify items on work orders.
- Follow sign shop procedures.

- Work with lead to learn how to lay out and modify jobs.
- Assemble signs as needed.
- Works to ensure quality control on all outgoing jobs.
